

Positive Psychology Coaching Fundamentals

COURSE OVERVIEW

The course in Positive Psychology Coaching Fundamentals teaches the essential principles and techniques of positive psychology coaching as well as the CHANGE model for structuring productive coaching engagements. Students engage with the course material through a combination of lectures, demonstrations, readings, personal reflection, and peer coaching practice sessions.

CHANGE MODEL OF POSITIVE PSYCHOLOGY COACHING

CERTIFICATE OF COMPLETION

All students who complete this course will earn a personalized Certificate of Completion.

PROGRESS TOWARD CERTIFICATION AS A POSITIVE PSYCHOLOGY COACH

This course is one of the five courses required to earn Wholebeing Institute Certification as a Positive Psychology Coach. The other courses are: Positive Psychology Coaching Skills Intensive, Building a Thriving Coaching Practice, Introduction to Wholebeing Happiness, and Positive Psychology Coaching Mentorship.

Students who wish to earn credit toward certification need to join all live webinars or watch recordings, participate in weekly peer coaching, and submit brief notes on key course concepts to the instructor at the completion of the course.

INTERNATIONAL COACHING FEDERATION CCE CREDITS

Students have the option to earn ICF CCE credits for completing the course. Students who wish to earn ICF CCE credits need to join all live webinars or watch recordings, participate in weekly peer coaching, and submit brief notes on key course concepts to the instructor at the completion of the course.

ASSIGNMENTS

All students:

- Relatively brief weekly reading assignments
- Weekly journal prompts
- Optional weekly peer coaching

Students pursuing Positive Psychology Coaching Certification and/or ICF CCE credits:

- Above plus weekly key concept notes and required weekly peer coaching

SCHEDULE AND TIME COMMITMENT

Live classes are held from for 90 minutes each week. Most students put in a total of about four hours per week, plus an extra hour for those earning ICF CCE credits.

TECHNOLOGY

Class sessions are held live via webinar. Recordings are posted following each session for students who are unable to join live or who would like to review the material again.

PEER COACHING SESSIONS

Students who participate in peer coaching sessions will meet by phone weekly in pairs for one hour to practice the techniques demonstrated in class.
